Thousands Have Kidney

Trouble and Never Suspect it.

Prevalency of Kidney Disease.
Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, cures every ailment in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

To Do and See in Williamsburg.

Judge W. B. Simmons of Fincastle, Va., told the reporter that L. & M. Paint was used on his residence in 1882 and he is still well for 21 years. He further said that 3 years ago he was induced to use another paint and is sorry he did, because the other paint didn't make good. The teacher will now always use L. & M. Paint. He knows if any defect exists in L. & M. Paint the house will be repainted for nothing. The L. & M. Zinc hardens the L. & M. White Lead and makes L. & M. Paint wear like iron for 10 to 15 years. Actual cost of L. & M. about \$1.25 per gallon. Donations of L. & M. made to churches. Sold by L. W. LANE, Williamsburg, H. M. CLEMENTS, Lee Hall, W. K. BRADLEY, and others.

We regret to note Mrs. Jno. Geddy is very unwell.

The H. N. Academy opened Monday with 21 scholars in the advanced grade and 23 in the primary grade.

Death of Miss Bessie Sennhem.

(Communicated.)

Miss Bessie Sennhem died last Sunday night in Richmond after an illness of four weeks of typhoid fever. The death of this young lady is a peculiarly sad one. Last fall she was a faithful nurse to her late mother, sister and brother. She was stricken down with the same disease five weeks ago while visiting in Richmond. Miss Sennhem was born Nov. 16th., 1891. She had been a consistent member of the Methodist church since childhood and her noble christian character endeared her to her friends, her devotion to her sisters was an index of her christian character. The funeral took place from the residence Monday afternoon at 4 o'clock and was largely attended. Rev. D. T. Merritt officiated and the interment was in Cedar Grove Cemetery. The pall-bearers were Messrs. Richard Braithwaite, L. Henley Jones, Elmo Marable and C. Saunders.

Mrs. R. J. BINNS,

A Mineral Water that Defies Drugs

NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants lurk in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery**, and above all, that dreadful disease **Scrofula**, which has almost baffled human skill, or **Diseases peculiar to Females**?

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what **Nature thinks you should take when sick**, and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics**, could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar. The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases enumerated above, and many more, evidently through its action as a powerful **BLOOD TONIC**.

We have many valuable certificates, which we will be glad to mail, if you are interested.
